

# I HEARD THE SOUND OF VOICES

## **INTRO: E F#m7 A B**

**E F#m7**  
I heard the sound of voices from every tribe and nation  
**A B E**  
As they were walking, singing songs of deliverance  
**E F#m7**  
For going on before them a little lamb was leading  
**A B E (Hold E 4 COUNTS THIS TIME)**  
And I could hear Him singing songs of deliverance

**E F#m7**  
Where are the chains that bound me the cords of my oppression  
**A B E**  
Jesus the Lamb has loosed them - He's my deliverance  
**E F#m7**  
My heart cries "Abba Father" for He has lead me to You  
**A B E**  
And I can hear you singing songs of deliverance

## **CHORUS:**

**E F#m7**  
For out of Egypt you have called your sons your daughters  
**A B**  
That they might be a witness to your saving Name  
**E F#m7**  
So Father I am walking - Lord can you see me walking?  
**A B**  
O my deliverer I'm following the Lamb

## **ENDING:**

**E F#m7 A E**  
As for me and my house we will serve the Lord **(X2)**  
**E F#m7 A E**  
As for me and my house we will serve the Lord always
